

Martin Sidorov

Kooli 2a - 37, Kehra, Anija Vald / Harju Maakond 74307 | H: 37256455348 | E: martin.sidorov27@gmail.com

Summary

I am a **junior software developer** who is looking for new skills. In my free time, I like to do websites with use of **Bootstrap 4** or create it watching a template, and also, I sometime like to create games in **Unity**. I love to learn new technologies in my way of programming.

If you want to see more, please go to my **GitHub**.
